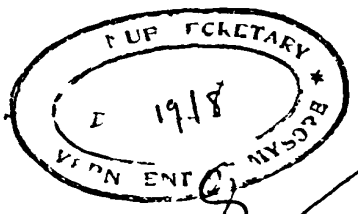
9) This School is reported to be working satisfactorily Its total strength during the year 1946-47 was 165



19/8/47

10) As per the statement of accounts of this school for the year 1946-47 furnished by the Management, the total expenditure for that year was Rs 9,017-0-0 and the total income including the Shimoga District Board's grant of Rs 300/- was Rs 5,836-15-6 and the net expenditure was Rs 3,180-0-6 But in the statement furnished by the Management many of the items such as expenditure on furniture, equipment and library etc , which do not come under authorised items of expenditure for purposes of calculating the maintenance grant have been included Taking into account only the items of authorised income and expenditure, the total authorised expenditure for the year 1946-47 would be Rs 5,894-6-0 and the total income Rs 4,756-7-6 and the net authorised expenditure would therefore be Rs 1 137-14-6 As per Government Order No E 1865-6/Edn 143-44-9 dated 6-10-1945, the school is eligible for a maintenance grant of Rs 568-15-3 being half the net authorised expenditure Proposals for the sanction of the payment of the grant admissible to this school will be submitted to Government separately

11) From the above it will be seen that even after excluding the amounts spent on furniture, science equipment and library etc , and taking into account the District Board grant of Rs 300/- there is a deficit balance of Rs 1 137-14-6 during that year Even after half of the amount is met by Government by way of maintenance grant there will be a deficit of Rs 568-15-3 Further, the Management have incurred a sum of Rs 2,475-1-6 on furniture, science equipment and library during the year 1946-47 Moreover, the school is in its early stages and considerable financial help is necessary for its development This school owes its existence to private enterprise and

and philanthrophy and it is affording considerable relief to the Government High School * I therefore recommend that Government may be pleased to sanction thex proposal of the Town Municipal Council, Shimoga to pay a sum of Rs 1,000/- towards the recurring charges and Rs 1,000/- towards the non-recurring charges of this school for the year 1946-47
